The USO campaign in Bethel will soon be under way, and everyone is urged to be liberal in his contributions to this very worthy cause. Plans for the campaign will be announced shortly, but persons desiring to make contributions by mail may do so at any time. Payment should be made to Carl L. Brown, Treasurer, Bethel USO.

"BILL" WRIGHT CAPTAIN OF 1943 G. A. BASEBALL TEAM—TOWNSEND TO BE MANAGER

"Bill" Wright was the popular choice for captain of the 1943 nine at an election held at the close of the season Saturday. He has been outstanding behind the plate during the entire present season and should prove a capable and popular leader.

He will have back to aid him a galaxy of this year's sophomores. Outstanding among this group will be his battery mate this year, "Ken" McInnis, the most pleasant surprise of the season. "Ken" improved with every game and although he lost some tough decisions—consecutive games being lost to South Paris and Fryeburg 2-1—he never faltered in the least. Other sophomores who give promise of being leading lights on this team are Berry, who has held down third already for two seasons; Coolidge, a very steady performer at second as well as long hitter; Reid, in left field who developed into a hitter near the close of the season; and Emmons, who saw much service in the outfield, as well as many other Freshmen and Sophomores.

Robert Townsend was elected to serve as manager next year.

FAREWELL PARTY

A farewell party was tendered Mrs. Louise Smith and Mrs. Dora Winslow Friday evening at the home of Mrs. Alice Gallant.

Each of the recipients believed they were attending a party for the other. A lace table cloth was presented to each of the honor guests by Mrs. Alice McAllister. Refreshments of cookies, sandwiches and coffee were served.

Those attending were fellow women workers, Mrs. Beatrice Foster, Mrs. Elva Marshall, Mrs. Alice McAllister, Miss Margaret Gallant, Mrs. Adeline Dexter, Mrs. Maria Beck, Mrs. Mary Gallant, Mrs. Alice Gallant, and the guests of honor. Miss Elizabeth Lyon was unable to attend.

Mrs. Winslow has been employed at the H. F. Thurston mill for over 15 years and will reside at Higgins Beach, and Mrs. Smith has worked for eight years and will reside at Dry Mills. Their husbands are employed at the Portland shipyard for the duration of the war.

53 RECEIVE DIPLOMAS AT GOULD ACADEMY EXERCISES MONDAY

Fifty-three students were graduated from Gould Academy Monday morning, June 8, with Dr. Fred Englehart, president of the University of New Hampshire, delivering the commencement address. Headmaster Elwood F. Ireland awarded the honors and the diplomas.

GOULD LOSES TO ALUMNI 7-5 IN FINAL GAME SATURDAY

A hard-fighting Alumni team defeated the Academy boys in an interesting game played as part of the Commencement week-end activities 7-5. The old-timers were just a little too strong but might have been defeated with a little better defensive play on the part of the school boys.

McInnis held his opponents well in check most of the way and his mates clouted the ball more savagely than they had previously in the season. Morton produced the longest wallop of the game by stroking one of Browne's curves through the trees in left field and across the road. Virgil Adams, on his lone appearance at the plate, also pounded out a triple.

The summary of the game:

HOME GUARD UNITS TO BECOME PART OF STATEGUARDRESERVE

According to announcements received from Augusta the only military units allowed to drill in the State besides the regular armed forces of the nation will be the State Guard and State Guard Reserve. As a result the personnel of the Home Guard Companies (American Legion Brigade) will have an opportunity to enlist in the Reserve.

Uniforms, drill and the general procedure will be much the same as in the Home Guard. It is understood that members will furnish their own firearms, but will receive pay when called for duty by the Gorvernor, Adjutant General, Sheriff or Selectmen. Companies will be made up of 50 men each with 10 percent more allowable, and the age limits are 18 years or over.

It should be possible to form a company, but probably it will not be done by volunteers. However it is likely that the town will furnish at least one platoon for a two- or three-platoon company, the other platoons to be recruited in towns nearby. There will be opportunity for additional local membership as there are several of the Home Guards who cannot make the change.

Although the various Civilian Defense activities as now arranged have enrolled many local people, there are still many who have apparently avoided participation in any defense or war work. Of course it is up to each man to judge for himself. Enrollment in the Reserve will involve a little sacrifice and some expense—more than required in some other projects—but it is a necessary task, a precaution which cannot be ignored even though we may believe that it will never be used.

Here is a chance for you to help. There are few who can't spare the time needed for drill and practice, which are interesting and healthful exercise. For the young men it is excellent preparation for more active military duty; for the older ones a timely opportunity for real patriotic service. It is expected that more complete details will be available at the time of the next meeting of the Guard at the Grange Hall next Monday evening. Plan to be there at 7 o'clock and do your part.

FRED H. MORTON

Fred H. Morton died last Thursday afternoon at the home of Mrs. Charles Corey, Auburn, where he had made his home for several years.

Mr. Morton was born at Augusta, Sept. 16, 1855, the son of Hallett G. and Lucinda Robinson Morton He was graduated from high school at Augusta and attended a Boston business college.

For about 40 years Mr. Morton was associated with the E. L. Tebbets Spool Co. at Locke Mills and had the respect and confidence of many friends and business acquaintances. He held the Post cane as the oldest citizen of Locke Mills. Since his retirement in 1935 he has made his home in Auburn.

Mr. Morton was a past grand chancellor and charter member of Longfellow Lodge, Knights of Pythias, of Portland.

He is survived by four nephews, Philip H. Morton, Auburn; Fred R. Morton, Bath; E. Lester Tebbets and Donald H. Tebbets of Locke Mills.

Funeral services were held at the Teague and Stevens funeral home Saturday afternoon, Rev. John F. Stearns officiating. Interment was at Oak Hill Cemetery.

William Robertson and Miss Ruby Jewell entertained the following at the Crescent Grounds Friday evening: Misses Elizabeth Gorman, Ellen Peabody, Ida Lee Clough, Dora Gallant, Mary Robertson, Marion Chapman, Carolyn Wight, and Carol Robertson; Buster Robertson, Edward Wheeler, Francis Berry, Stanley Davis, Gilbert LeClair, Albert Buck, Richard Bryant, and Edward Little.

SCHOOL DAYS —— By DWIG

THE LOW DOWN FROM HICKORY GROVE

So far nobody—not even a Bureaucrat—has devised a system where you can live much longer than 100 years. Folks we know now—big shot, or little—will not be here 100 years hence. You will be a dead pigeon in 2042. In 2042 there will not be one person in 10 thousand who will have the haziest notion as to who you were, if somebody should scrape off a tombstone and find your name.

Nobody could do a better stunt than to sit down some evening and think over with himself as to the jam he may be in, 2042, and thereafter through eternity, if he don't curb his style somewhat — and pronto.

And Eternity, the best definition I ever heard was the one that Katisby Higgins in Fargo, North Dakota, told me when I hung out there and climb poles for the Edison Company. Katisby said that if a bird was to take a drop of water from the Atlantic and hop one hop per day and put it in the Pacific, it would only be sun-up on the first day in Eternity when he had moved all the Atlantic Ocean to the Pacific.

Yours with the low down,
JO SERRA

The SNAPSHOT GUILD

A PICTURE DIARY

Batter up! Baseball games in the back yard are excellent material for any picture diary of life at your home.

HAVE you ever thought of devoting one section of your snapshot album to pictures taken around the home? It might be titled, "The Four Seasons At The Smiths." And right now would be an excellent time to start such a picture diary. What better time is there to begin anything than this season of the year?

How would such a section be handled? Well, I'd suggest that you commence with a few general views of the house. That will start your collection by showing your home and where the series to follow is taking place.

Next, it would be a wise plan to introduce the principal characters in the picture story you're going to tell. Make a good informal portrait of every member of the family—including yourself. Then you can turn your full attention to picturing the four seasons at your home.

For instance, this year your family has probably started a Victory Garden. Make some pictures of that, with Dad and the rest of the family working in it—perhaps admiring the first vegetables which have appeared.

Next, why don't you show the family getting the house ready for the summer? Everything that happens at your home—from bringing the chairs out onto the lawn, to putting up the screen door and washing the windows — is suitable subject matter for snapshots. And if you photograph revealing activities of that sort, you'll soon create a broad picture of your family's mode of life.

Finally, carry the project right on through the seasons. Jot down picture ideas as you see them, or better yet, have your camera ready for action and make the picture right away. If you take advantage of all your opportunities, you'll have a truly enviable collection of home snapshots by the time June arrives again.

Schools closed last Thursday. The picnic Friday for the Primary School was omitted because of inclement weather and sickness of the teacher, Mrs. Bryant.

Graduation exercises were held at the Church Thursday evening. The Primary School presented a very good play at that time. Leslie Fuller Jr. was the only graduate.

Mr. and Mrs. William Barnett attended the graduation exercises at Stephens High School, Rumford, Thursday evening last week. Their daughter, Viola, was one of the graduates.

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength.

Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use *Doan's Pills*. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. *Ask your neighbor!*

JACKSON-SILVER JOINT INSTALLATION

A joint installation of Jackson-Silver Post, Auxiliary and Junior Auxiliary officers was held on Friday evening, June 5, at the Legion Home.

Past Commander Charles Clifford was the installing officer for the Post with Comrade Raynor Littlefield as his Sgt-at-Arms, while Past President Fannie Cummings installed the Auxiliary officers, assisted by her daughter, Cathryn.

Past President Cora Bennett, with Past President Annie Kimball as her Sgt-at-Arms, installed the following Junior officers:

President—Edith Keniston
1st Vice—Mary Dorion
2nd Vice—Patricia Perham
Secretary—Ruth Morgan
Treasurer—Joyce Cummings
Historian—Dorothy Perham
Chaplain—Elsie Redman
Sgt-at-Arms—Maxine Clifford

Installing officers were presented with gifts by the new Auxiliary and Junior Auxiliary presidents. Past President Cora Bennett thanked the officers and members of the Unit for their help and cooperation during the past year, as did Department Membership Chairman Fannie Cummings. A rising vote of thanks was given Past Commander Barrett for his efforts in behalf of the Post. Refreshments were served and a social hour enjoyed.

Visitors at this meeting were Mrs. Elmer Fiske of Locke Mills, Mrs. Anna Lamb of Bangor and Miss Gloria Hobbs of Bryant Pond.

Department Membership Chairman Fannie Cummings installed at Rumford on Monday evening, her 8th installation this year.

Short of Sugar?

Switching to honey and corn syrup as substitutes for sugar in cooking was no trick at all, thanks to some hints I picked up. They all "work" beautifully.

Mrs. Kiene

Honey must be used with judgment, of course, but you can't go wrong if you remember these essential facts: (a) 1 cup of honey weighs 12 ounces of which not quite 1/5 is water; (b) 1 cup of sugar weighs 7 ounces. In replacing sugar with honey in a cake or cookie recipe, the amount of liquid should be reduced one-fifth of a cup for each cup of honey used. **After measuring the liquid used, remove 8 tablespoons, plus 1 teaspoon, of the liquid for each cup of honey used.**

An easy way to measure honey is with a moist or greased cup. With recipes requiring shortening, measure the shortening first, then the honey in the same cup. This is true also of molasses and corn syrup. Keep liquid honey in a warm, dry place where the temperature is 75 degrees or over, or in a cold place where temperature is below 50 degrees. Before using, place honey jar in warm -- not hot -- water for about 10 minutes and pour it from a sharp-pointed pitcher. Then it will drizzle out evenly.

If certain cakes made with honey, when first baked, seem less light and fluffy, and not as sweet as sugar cakes, just wait until they age. Then they'll become moist, flavorful and better in texture. Generally speaking, honey may be added to any favorite cake recipe in amounts equivalent to 25 to 50 per cent of the total sweetening without altering the basic recipe.

*Graham Bread Recipe

2nd set of glides	Baking time 50 min.
Preheated oven	Temperature 375°
	½ cup molasses
½ cup sugar	1 tablespoon melted butter
1 cup sour milk or buttermilk	1 teaspoon soda
3 cups graham flour	1 tablespoon boiling water
1 egg	1½ teaspoons salt

Beat egg, add sour milk or buttermilk, and melted butter and molasses. Dissolve soda in boiling water and add. Mix the graham flour, salt and sugar together and add to first mixture, beating only enough so mixture is well blended. Pour into a well greased loaf pan.

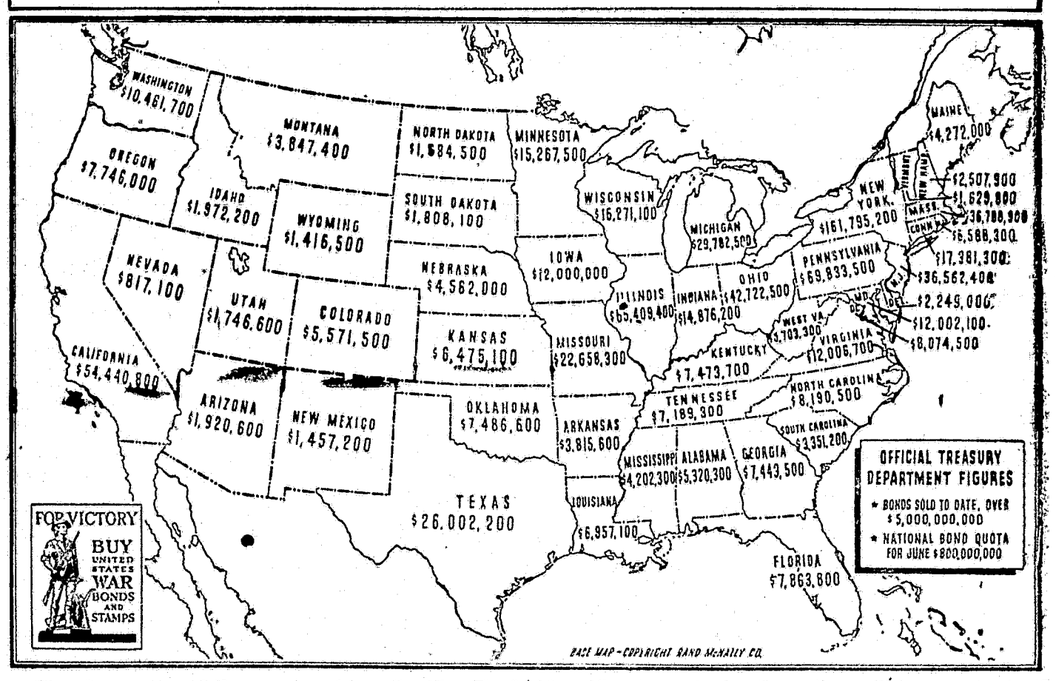
Official U. S. Treasury War Bond Quotas for June



The above map of the country shows the War Bond Quota by states for the month of June totalling $800,000,000. Everybody every pay day is expected to invest at least ten per cent of his income in War Bonds to aid in financing America's offensive against the Axis powers.

The ultimate quota for the nation will be on a basis of one billion dollars per month effective in July. This sum is necessary to provide for all-out production of planes, guns, ships and munitions adequate to arm our fighting men with the tools necessary to win the war.

YOUR CAR — How to Get the MOST out of it

BATTERIES AND BRAKES

Batteries, like tires, are best kept in service. If your car isn't used for any length of time, be sure the battery is recharged every 30 days. If your car is hard to start, chances are the battery is weak. All its energy is being used up in turning the engine over, and nothing is left for the spark. Even in service its specific gravity should be tested occasionally. Keep the terminals clean and coated with heavy grease and check weekly to be sure the plates are covered with water.

Brakes are another thing it doesn't pay to neglect. However, wear on brakes is gradual, and sometimes we don't realize their condition until in some emergency our foot hits the floor board and nothing happens. A good rule is to have them adjusted if the pedal can be pushed to less than two inches from the floor board or if the car swerves under braking pressure. Have them relined before the lining rivets start grooving the drums. New linings will last longer if broken in carefully. If the brake pedal suddenly goes down or if you have to "pump" it, the brake fluid is low. It is important to refill the type recommended by the manufacturer.

Squeaks and rattles are bound to develop in time in any car. Squeaks mean friction and friction means wear. Rattles also mean wear. Have all bolts, nuts and screws tightened periodically.

REPUBLICAN CANDIDATE
For
CLERK of COURTS

Since Pearl Harbor, night and day, but one thing has been uppermost in the minds of the people of Oxford County. THAT I KNOW. Civilian life, however, must still function in our democracy. May I humbly call your attention to my candidacy for the office of Clerk of Courts for Oxford County in the Republican Primaries next Monday, June 15. If my efforts, past and present, my education and training, merit your support, it will be gratefully appreciated.

THE years directly ahead of us will be the most important in our history. The next Congress in Washington must solve the most critical problems our country has ever faced. What it does will directly affect our lives, our homes and our nation's destiny for generations to come.

We must have statesmen in Washington who will put country above self. We must have men of experience—not selfish, political opportunists. We must have men of sound judgment—not rubber stamps or "yes" men. We must have intelligent thinking for our domestic policies, and intelligent cooperation with our Government's war policies.

Every one of us must go to the polls and vote in the primaries. To exercise our privilege as free people. To choose and vote carefully. To get unselfish service for all of our people, to win the war and to win the peace.

We Call It

Romance

IT'S JUST a can of soup. But during a long lifetime, the man who made it found some way to advertise it. At first, just a sign over his little soup kitchen, a few newspaper ads, a few billboards. But as the advertising grew, so did the business.

Now the business employs thousands of workers, helps to support tens of thousands of retail clerks and transportation men, and gives the housewife a better, cheaper soup than she could prepare at home.

Back of every heavily advertised article is a romantic story of this kind—the kind of romance that built America.

JUNIOR GUILD PICNIC HELD AT SONGO WED. EVENING

The Junior Guild held a pot luck picnic at Mrs. Irving Carver's cottage at Songo Pond, Wednesday evening. Twenty-four members and friends were present. A delightful walk was taken, followed by a luncheon served on the porch. A hurried business meeting was held as the members were to get back to their homes for the expected black out.

The president appointed the following committee for the supper in conjunction with the Ladies' Club to be given on or about June 23: Mrs. Frances Bennett, Mrs. Jane Van, Mrs. Barbara Brown, Mrs. Frances Ireland, Mrs. Minta Williams, Mrs. Florence Blake, Miss Harriet Merrill. Nominating committee for fall meeting: Miss Ida Packard, Mrs. Ella Drummond, Mrs. Barbara Brown.

Mrs. Celia Gorman appointed the following committees for the sale in August: gift table Mrs. Mary Moore, Miss Harriet Merrill, Mrs. Stella Moore; aprons, Mrs. Florence Blake, Mrs. Ruth Chapman Mrs. Adeline Dexter; candy, Mrs. Barbara Brown, Mrs. Ruth Carver, Mrs. Ada Conner; food, Mrs. Frances Bennett, Miss Ida Packard, Mrs. Celia Gorman, Mrs. Ruth Poole, children Mrs Minta Williams, Mrs Edith Rowe, Mrs. Sylvia Conroy, Mrs Emily Saunders, tea, Mrs. Jane Van, Mrs. Patricia Bennett Mrs. Helen Palmer, Mrs Daisy LeClair.

Mrs Stella Moore very kindly showed many articles of interest brought from her recent visit to Florida Mrs Florence Blake was in charge of the program. Mrs. Carver and committee Mrs Daisy LeClair, were given a rising vote of thanks for a grand meeting.

WEST BETHEL UNION CHAPEL
Rev. Don Fife, Minister

There are many destructive and disintegrating forces at work in the world today. But, fortunately, there are constructive forces at work also. Of these forces that build, none is so powerful as the church. And of the agencies of the church, none is more helpful than the church school.

Thus, it is heartening to note that the West Bethel Union Chapel Sunday School will shift into high gear, starting this next Sunday, June 14, at 10 a. m. Teachers who have volunteered to assist in the maintaining of a workable and worthwhile church school program are: Miss Ruth Walker, working with the Beginners; Miss Esther Burris, guiding the Primary pupils; Mrs. Clarence Rolfe, instructing the Juniors; and Rev. Don Fife, leading the Intermediates. We know that all parents and friends of youth in the West Bethel community will support this important endeavor by encouraging regular attendance.

A special welcome will be given these who have taken teaching responsibilities as a part of this Sunday's Morning worship hour, when Communion will be observed in remembrance of the Lord's Last Supper. A brief message will be given by Rev. Don Fife. At the 7:30 p. m. Vesper Service, the theme will be "Why Art Thou Cast Down?.. Hope Thou!!"

A WEEK OF THE WAR

Pacific Fleet Commander Nimitz reported two and possibly three Japanese aircraft carriers and a destroyer were sunk, and three transports were damaged in the battle of Midway Island. All planes on the two carriers definitey known to be sunk were lost, Admiral Nimitz said. One U. S. Carrier was hit and some planes were lost, but casualties among the U. S. personnel were light, he said. Admiral King, Commander in Chief of the U. S. Fleet, said the enemy fleet has apparently withdrawn from the Midway area but battle maneuvers are continuing in the Hawaii-Dutch Harbor area. The Navy said the first Japanese attack on Dutch Harbor on June 3 resulted in few casualties and no serious damage, appearing to have been made "primarily to test our defenses." The Japanese planes which flew over the harbor six hours after the initial attack were "engaged solely in reconnaissance," the Navy said.

Gen. MacArthur reported within six days Allied naval and air forces sank seven and possibly eight enemy submarines, two heavily loaded armed supply ships and an armed transport, and also damaged a 7,000-ton vessel. Allied losses in the Southwest Pacific were two cargo vessels. In air raids over Rabaul, Lae, Salamaua, Atamboea, Tulagi, Koepang and Dili, and Burma, 12 enemy planes were destroyed, one enemy tanker sunk, and runways, airdrome installations and parked planes damaged. Three Allied planes were lost. The Navy said Allied merchant ship losses totaled 21 during the week, including nine U. S. ships.

Production

U. S. production of planes has reached the level of "nearly 5,000 a month," and by next year we will have reached the President's goal of 10,000 a month, the Senate Appropriations Committee announced. Despite the fact that almost twice as many light arms are required per man since the development of parachute troops, the Army has enough weapons to arm every soldier in the U. S. and all it can send abroad under present shipping conditions, War Secretary Patterson reported. He said over-optimism regarding production schedules is unwarranted, however, because of rubber, nickel and copper shortages.

A record total of 58 ships were delivered into service during May, while 65 other ships were launched and keels were laid for 75, the Maritime Commission reported. This compared with 36 delivered and 51 launched in April.

The Armed Forces

Chairman Vinson of the House Naval Affairs Committee said approximately 99 more combatant ships will be commissioned during the remainder of 1942. Three more destroyers were launched. The CAA and the Navy completed arrangements to train 20,000 Naval Reservists as pilots at 600 CAA training centers during the coming year, if money is appropriated.

Rationing

All motorists will receive A books containing a year's base supply of 48 coupons under the new permanent gasoline rationing system which will be established in the East about the first week of July, OPA said. Supplementary B books with an additional 16 coupons will be issued to motorists who prove need for extra rations, providing they are members of a car pool. No unlimited privileges will be granted anyone, but C books containing 96 coupons will be issued to some motorists. S books for trucks and buses, good for a four mouth period, will cover just enough fuel for the mileage allowed in forthcoming ODT regulations. Motorcyclists will receive D books, good for 40 percent as much gasoline as A books. Under the new system service stations and distributors will be required to turn in collected coupons when purchasing new stocks. The OPA released about 10,000 bicycles to war production plants qualified to buy them for transportation of workers.

MY AMERICAN FLAG

By Florence M. Nowlin, Grade VII, Sunday River School

I love my flag so dear and true.
Its colors are red, white and blue.
I love to see it fly so high
Among the blue up in the sky.

I love my flag, I aways pray
That it will never go away.
While we have it we see no fear.
My American flag, I love it dear.

TO THE VOTERS OF OXFORD COUNTY

Because of the War, Our Government appeals to all of us to conserve Vital Materials. Among these some of the most essential to the war program are part in this program to help preserve our American Way of Life. To this end I have decided not to make GASOLINE, OIL and RUBBER. I desire to do my any personal campaign in any of the Towns, to promote my candidacy for the position of County Commissioner of Oxford County in the Primary Election of June 15th.

I was born in Rumford Sept. 8th, 1879 and have always lived in Rumford. Since 1911 have held many of the elective offices in the Town, having been Road Commissioner from 1911 to 1916, and having served on the Board of Selectmen and Assessors for the years 1916-1917-1918. In 1927 was again elected to the Board of Selectmen and served as Chairman of the Board in that year and also served on the Board of 1928. In 1930 was chosen Assessor and served in that capacity for four years. In 1940 I was elected as Representative to the Ninetieth Legislature from the Rumford-Andover-Roxbury and Byron District and am serving in that capacity at the present time. With the experience I have had during these years of service in the various Town and State Offices, I feel that I am well acquainted with the problems of Civil Government in the Towns, County and State.

I also wish to take, at this time, the opportunity to thank all those who signed my Primary papers and I can assure the Voters of Oxford County if nominated and elected to the position of County Commissioner I shall try and give them the best I can in the administration of the Office.

I WILL GREATLY APPRECIATE YOUR SUPPORT ON JUNE 15th AT THE POLLS.

Very truly yours,

JOHN F. MARTIN
